IYENGAR YOGA Teacher Training Program

Two Year Program, June 2020 - May 2022

Overview

Luna Yoga is pleased to introduce an Iyengar Yoga Teacher Training Program. It is a comprehensive course for students wishing to deepen their personal yoga practice and teach Iyengar Yoga.

The course meets the teacher training requirements of the BKS Iyengar Yoga Association of Australia. It is designed to confidently prepare you for Iyengar Yoga Certification Assessment.

The program has three main components:

- the development of your personal yoga practice;
- studying the elements of teaching; and
- yoga philosophy.

The development of your personal practice is extremely important, as it is from your experiential knowledge that you will draw the confidence and conviction needed to teach. If students are wishing to participate in the program for the development of their practice only the course is also appropriate.

The two year program will commence Friday 19 June 2020.

Contact time will include:

- Workshops 6:00 AM – 12:30 PM every third Friday;
- Trainee Group Practice Friday mornings 6:00 – 8:00 AM;
- Early Morning Intensives; and
- Observing and assisting in class.

Students non-contact time will include:

- Daily personal practice – one to two hours plus keeping a practice diary,
- Reading in preparation for workshops;
- Reports on workshops and practice process; and
- Assignments.

Undertaking the program will require from trainees a whole-hearted commitment to both the compulsory contact time and a dedicated, well-disciplined approach to their personal practice.
